

# Knife Making Classes at Underhill Forge

**Fall 2015 – Spring 2016**

Bladesmith J W Stekervetz will be holding knife making classes at his shop in Manheim, Pennsylvania from November 2015 through May 2016. Students will make two knives using a variety of techniques, professional equipment and high quality Materials. Students will learn to forge blades, harden and temper, polish, create handles and professionally finish their knives. Classes are 2 days, limited to 3 students and includes all materials.
